WELCOME !

Welcome to our 4th Kidbrooke Real Ale and Cider Festival!

Over the 3 days of the festival you'll find 50 great beers & more than 20 ciders & perries - why not try something a bit different? Our volunteer staff are on hand to help you find something you love so don't be afraid to ask! Great food is available throughout the festival, plus bands to entertain you on Thurs & Sat.

This festival is organised by the South East London branch of CAMRA, the Campaign for Real Ale. We've been campaigning for great beer and cider for over 40 years now and there's always something to do, from supporting and promoting our local breweries to protecting our pubs from change of use or redevelopment. The pub protection movement has had some real successes in the past year but we're still losing pubs at an alarming rate. If you've enjoyed the beers at this festival, why not seek them out in some of our brilliant local pubs in the coming weeks and months?

South East London

We're always looking for people to get more involved with their local CAMRA branch. Have a chat to one of us if you're interested - we'd love to have you on board. It doesn't need to take up much of your time & it's great fun.

In the meantime, enjoy your time at the festival. As always, everyone at Charlton Park RFC has been brilliant in helping us to organise things and we're hugely grateful for their support. Thanks also go to our festival sponsors, Hop Stuff, Southwark Brewing Company, and the Long Pond micropub.

Do tell us what you think about the festival using our feedback forms - don't forget to vote for your favourite beer! We look forward to seeing you at another CAMRA event very soon.

Cheers!

Anna Lancefield, Festival Coordinator

We are grateful for the support of our sponsors/partners ...
